Craig Lee
Managing Director, Asia Pacific
Assured Guaranty

Craig Lee heads the Assured Guaranty business platform in the Asia-Pacific region and is responsible for Assured Guaranty's full product range across Asia.

With more than 20 years of experience, including previous roles in Tokyo, Singapore, London and Sydney, Mr. Lee has a track record of building businesses across the structured finance space for international financial institutions in the Asia Pacific region and an understanding of key jurisdictions, cultures and languages. Immediately prior to joining Assured Guaranty, Mr. Lee was the General Manager, Front Office at Sumitomo Mitsui Banking Corporation in Australia, where he was responsible for all of the bank's major business operations, including treasury, corporate, structured and project finance.

Mr. Lee holds a Bachelor of Economics degree from the Australian National University, Canberra; a Bachelor of Arts (Asian Studies) degree from ANU including studies at Sophia University, Tokyo; and a Master of Business (Banking & Finance) degree from University of Technology, Sydney.
