David Hechter
General Manager, Loan Servicing
Perpetual Corporate Trust

David is responsible for Perpetual's third party loan servicing business and back-up servicing obligations across clients in a number of asset classes.

Prior to this role, David was GM – Strategy & Technology with the responsibility for developing the strategic priorities for Corporate Trust and aligning the division's technology resources and project activities with these objectives.

David joined Perpetual from St George Bank where he was responsible for strategic alliance and new venture development activities.

His career has also included strategy consulting with international consulting firm The Boston Consulting Group and investment banking roles with Merrill Lynch in Australia and the United States.
