

AUSTRALIAN  
SECURITISATION  
CONFERENCE

| A | B | S | 2008 |

**John Sorrell**  
**Head of Credit**  
**Tyndall Asset Management**

As head of credit, John's key responsibility is to lead the credit portfolio management and research functions of Tyndall's fixed interest team. He has 21 years experience in the financial markets and has been involved in the securitisation market for 20 years.

Before joining Tyndall in June, John had been Head of Credit at Merrill Lynch Investment Managers and BT Investment Management, with responsibility for credit and securitised products. Prior to this, John held a role in Fixed Income Research with Credit Suisse First Boston with a specialisation in the research of mortgage and asset-backed securities during the market's development phase.

John holds a PhD in Pure Mathematics from the University of Sydney.
