

**Andrew Robertson**  
**Strategy Director**  
**Meridian Energy Ltd**

Andrew leads the ongoing development and refresh of Meridian's strategy, and the company's M&A and ventures functions. He has extensive experience in the New Zealand electricity industry.

Prior to taking on the role of Strategy Director, Andrew operated in senior generation business development roles in Meridian's asset management and growth areas. He has also recently operated on secondment as Meridian's Chief Financial Officer during a period of leadership transition.

Before joining Meridian, Andrew held numerous roles with ECNZ, including management roles in finance and operations, before participating directly in the industry reform that led to the formation of Meridian.
