

John Wills
Chief Executive
InfraTrain

John has been the Chief Executive of InfraTrain New Zealand Ltd, and its predecessor, the New Zealand Contracting ITO since 1999.

During that time he has seen the ITO grow from a two person, \$400K organisation to its present state, in which 32 staff with a budget of \$7.5m provided qualification development, effective training support and significant subsidies for 5,690 trainees in 470 companies across 12 industry sectors throughout New Zealand last year.

John chairs the Polytech Consortium Advisory Committee on the Diploma of Civil Engineering; was recently appointed to the IPENZ Technician Education Standing Committee and in 2006 was appointed as a Companion of IPENZ for services to engineering training. He also represents New Zealand on the Australian Resource and Infrastructure Skills Council Civil Sector Standing Committee.
