**Industry**

**Government**

will respond to clear  
commitment from  
government

Asset  
Delivery

**Government  
needs to  
change the  
way it does  
business**

don't mandate

collaborate

# Reform Architecture

strategy in infrastructure

- > Structured project review process
- > Frank and fearless advice
- > For the benefit of the project

## > Four principles

- Single point of accountability
- Focus on service delivery
- Stakeholder management vs decision making
- Project governance vs organisational governance
