

**Chris Mitchell**  
**Partner**  
**Blake Dawson**

Chris has extensive experience in property and infrastructure development in the public and private sector. This includes major transport infrastructure projects, PPP projects, large scale residential developments, urban redevelopment programs, commercial leasing, alliance contracting, facilities management, joint ventures and advising in relation to government development agreements.

He is well regarded for his handling of complex projects and has won further praise as a “deeply impressive lawyer with a well-deserved reputation” - *Chambers Global, 2008*.
