

Richard Roberts
Director, Infrastructure Investments
Super Investment Management

Richard has an extensive involvement in the development and financing of infrastructure. He spent 5 years with Queensland Treasury negotiating infrastructure packages between the State and developers followed by 10 years in Investment Banking, including three years in the Tokyo capital markets.

On returning to Australia, he became a partner in a Private Equity Fund. This was followed by 10 years as Manager Project Finance with Thiess Pty Ltd. Richard took up his most recent role a year ago as Director Infrastructure Investments for the Retail Employees Superannuation Trust, which has \$15Billion under management.
