

Australian Debt Markets Conference

ON THE ROAD TO MARKET RECOVERY

Friday, 27 June 2008 ~ The Westin Sydney

www.inassociation.com.au/events/debt08/

Adam Donaldson
Head of Debt Research
Commonwealth Bank of Australia

Adam is the Head of Debt Research for the Commonwealth Bank of Australia, located in Sydney. He manages a team of credit research, quantitative and structured product analysts and is responsible for CBA's interest rate and fixed income strategy views. The research team was recently ranked 2nd in INSTO's 2007 annual fixed income & credit poll, with team members individually ranking 1st or 2nd across most categories.

Adam has previously worked as Senior Economist for UBS Investment Bank in Sydney and Treasury Corporation of Victoria in Melbourne, where he was responsible for economic and fixed income research. He also spent three years with the Commonwealth Government in Canberra.
